A vibrant photograph of four children jumping into a swimming pool. From left to right: a girl in a pink and white striped swimsuit holds a large blue and green inflatable ring; a boy is inside a pink inflatable ring shaped like a unicorn; another boy in blue and green swim trunks is mid-air with his arms raised; and a girl in a red swimsuit is also mid-air with her arms raised. A purple inflatable ring is floating in the air above the boy in the center. The background shows lush green trees and a clear blue sky.

- All members and their guests must sign in each day upon entering the pool.
- Children under the age of 10 years will not be allowed in the pool unless continually accompanied by a parent or adult who is responsible for their safety. Oakwood Country Club will not assume the responsibility of any child while the adult leaves the pool area for an extended period (i.e. to golf, have lunch, etc).
- Members may bring guests at a fee of \$5 per guest. Guest fees will be charged to a member's account at the check in area of the pool. A member must accompany all guests at all times. When allowed, non-family guests may not use the pool more than ten (10) times per season.
- Grandchildren are considered to be complimentary guests of the Club and must be accompanied by a member grandparent at all times.
- All persons using the pool and the equipment of the pool do so at their own risk. Oakwood Country Club will not be responsible for injuries suffered by persons in or about the pool area.
- Members are asked to cooperate in maintaining the highest standards of cleanliness and sanitation established for the pool and to instruct their children to do likewise. The laws of the State of Illinois require all swimmers to shower with soap before entering the pool.
- No one is permitted in the pool unless a lifeguard is on duty, except for Adult Lap Swimming. Lifeguards may be asking children who wish to swim in the deep end of the pool to swim a width of the pool to determine the child's ability to swim in the deep end.
- For safety and regulatory reasons, inflatable toys, water wings, inflatable rings, etc., are not acceptable as life preservers. Only life jackets should be used on small children.
- Please be considerate of others in the pool area. Tag, ball throwing and other games are not permitted when the enjoyment of other guests is affected.
