

Hello
JUNE

Oakwood Connection

Fellow Members-

Welcome to June. What a great Memorial Day weekend, we were certainly blessed with great summer-like weather. We hope you had a chance to come out and enjoy some of the activities at the Club. It's unfortunate we had the issue with the pool heater, but the part to fix the problem should be here and repaired any day now, so we hope to have the water back to a nice temperature level as soon as possible.

We continue to sign up new members. There is still a lot of golf and pool time left this summer, so again, if you know of someone interested, send them our way. Speaking of new members, a reminder the new member social is June 1 beginning at 6 pm. We hope you'll come out to meet and greet some new members and enjoy the family night special if that works in your plans.

I know we've asked this before, but, if possible, please make a reservation if you plan to come out to the club for dinner. Particularly those nights like family night, where we need to prepare certain entrees or specials. If a large number of members do not make reservations, it is very difficult for the kitchen to plan based on say 20 reservations and 75 people show up wanting the family night special. Even if you decide that afternoon, please make a call to the club to let them know how many in your party and what time you'd like to dine. It will make the experience better for both members and the kitchen staff if we can properly plan for the appropriate number of people.

As always, please read the calendar for upcoming events and we hope you can come out and enjoy all your club has to offer. We really appreciate the support of our membership.

Hope to see you out at the Club soon.

Regards,

Steve McCann
Board President

Dear Members,

Membership is still growing, so thank you to all those who have provided some referral opportunities. Thus far, we have welcomed 30 golfing members, 10 social members and 1 clubhouse member. We are hosting a New Member welcoming party on Thursday, June 1st at 6:00pm with complimentary hors d'oeuvres. Please join us and welcome all our newest members to Oakwood.

To ensure everyone has a great experience at Oakwood, we would like to remind everyone that caps are not permitted in the dining room and smoking/vaping inside the building is prohibited. So, we'll ask you kindly to follow the club rules, which are accessible on the website in the password protected area. Call the club if you do not know what your password is.

Now that the pool is open, let us remind everyone of our sign-in policies. Please make sure to sign in when you enter the pool and make sure to register all guests. Pool guest fees are \$5.00 per person and will be posted to your account. Private pool parties are booking fast, if you plan on having one, I suggest not waiting until the last minute, email me at paul@oakwoodgolf.org or call the club to reserve your date.

Now that the warmer days are here to stay, we'll see a significant uptick in patio dining. Which is why we strongly encourage everyone to make a reservation for dinner. Reservations allow us to plan better and provide you with a better experience as well. For dinner, please check in at the hostess stand and we'll be happy to take you to a table.

Thank you to everyone that came out to see us at the club over Memorial Day Weekend. The weather was fantastic, and we look forward to many more beautiful days this season.

Wishing all of you a great summer. See you soon at the Club.

Paul Block, PGA

General Manager

LADIES, SUMMER IS HERE!

The club is in full swing with many activities at the club. We had the Meet and Greet event in May where we mingled, and the appetizers were, oh, so good. Many questions were asked of our Oakwood personnel and guest speakers and answered by them: Paul Block, Eric Drane and Steve McCann. They informed us that tee boxes continue to be upgraded to make the course more accessible for higher handicap individuals, along with outside bathroom upgrades and pool upgrades.

For the ladies, I would like to remind you of our Thursday draw group at 11 a.m. with a different game every other week, and the 9-hole group is set up for Thursdays at 5:30. Please contact the pro shop for details and to sign up. This is a great way to meet the women golf members.

Our golf events for the ladies in June include the Nine and Dine 9-hole event on June 13th and Ladies Guest Day on June 30th. So invite a friend for both events, as guests are welcome, and sign up in the pro shop or call 309-799-5558.

The pool is open now, and the bridge group is always looking for a new member to join them on Thursdays at 11 a.m. These are also great ways to meet the lady members.

It is summer with lots of activities around the Quad Cities, but now is the time to enjoy your membership at Oakwood. The pool is waiting for you! The golf course is waiting for you! The clubhouse and bridge are waiting for you! Stop in to enjoy a cocktail, appetizers, and a scrumptious dinner after a dip in the pool, cards, or a round of golf.

See you around the club,

The Ladies of Oakwood Board

2 MAN BEST BALL

This is a 2-member team event. Teams will play 18 holes of best ball. All players will play the forward tees and the pins will be set in easy locations on the Back 9 (Heavenly), and the back tees and difficult pin locations on the Front 9 (Hellish).

Who can play: Men's Event – Members Only

Cost: \$20 Per Person (Prizes) & \$20 Team Cash Skins Game (optional)

Sign Up Deadline: June 2nd

Sign up for a tee time in your own group between 8:00a – 3:00p

Golf Shop Talk

- #2 - Todd Nelson
#8 - Jim Kappeler
#14 - Jim Kappeler
#16 - Jon DeDecker

Thank you to everyone that played - Congratulations to our winners!

Chipping Drill

This chipping drill will help you make more consistent contact leading to better chip shots.

1. Set-up and alignment stick 4 inches behind the ball on your target line
2. Focus on taking the club back along the alignment stick on the take-away
 - *Too many golfers take the club back too far to the inside on the take-away which leads to the club exiting to the right of your target. It may also cause you to flip your hands through impact in an effort to square up the club*
3. Make sure you finish your chip with your rotation
